S I H Y U N M I N

Picking up a camera allowed me to capture the beauty I find in everyday randomness. This website is designed to curate and share my candid view of the world.

Henri Cartier-Bresson famously said,
“Your first 10,000 photographs are your worst.”
Well, enjoy my first 10k :)

(my shots are taken with a 28mm f/1.7 lens)

PROFESSIONAL PROFILE
